

Online Giving at Orchard Assembly

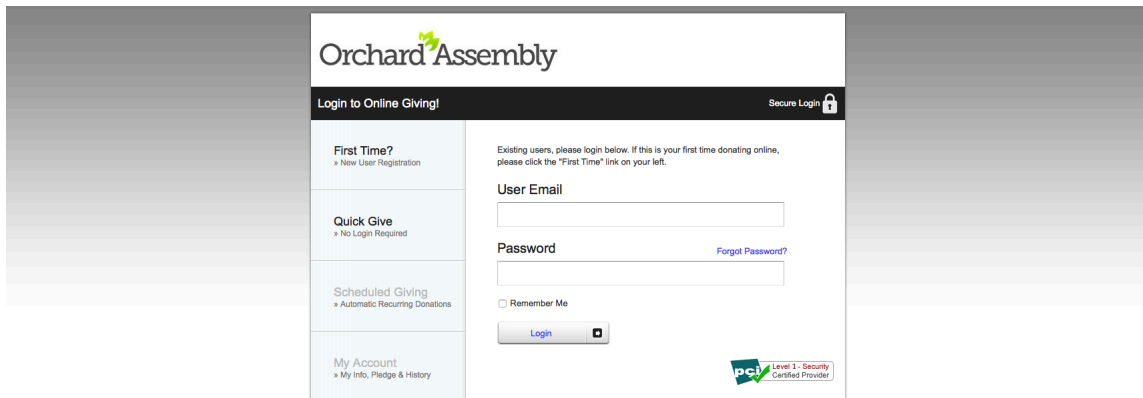

There are two simple ways to give online. The first is by going to orchardassembly.com. And the second can be done on our mobile app that can be downloaded from your iPhones, Ipads and any Android device.

1. Online Giving From the Website

On the home page, scroll down to the online giving section and click on the blue "give online" button.

It will take you to a secondary page where you will need to create an account if you have not already to be able to give online.

Once your account is created, you will have two options to give:

Give Now

This is a “one time” give option. If you want to give to different ministries you will need to select the “Add Another Fund” button in the my donation section at the top and fill out the amount for each section separately.

2. Mobile App Giving

This is very simple. Click on the box in the top right corner of the app and click the donate button on the left side of your screen. This will take you to the same setup as stated above.
