

Online Giving at Orchard Assembly

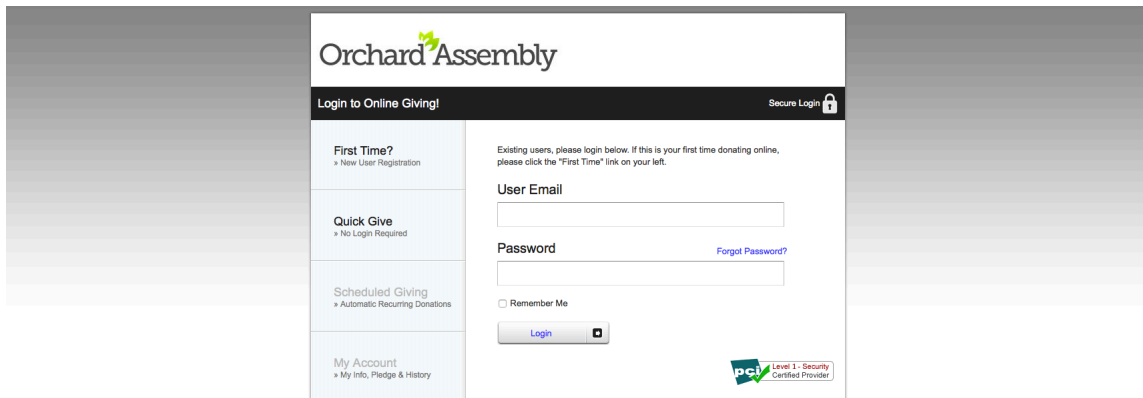

There are two simple ways to give online. The first is by going to orchardassembly.com. And the second can be done on our mobile app that can be downloaded from your iPhones, Ipads and any Android device.

1. Online Giving From the Website

On the home page, scroll down to the online giving section and click on the blue "give online" button.

It will take you to a secondary page where you will need to create an account if you have not already to be able to give online.

Once your account is created, you will have two options to give:

Give Now

This is a “one time” give option. If you want to give to different ministries you will need to select the “Add Another Fund” button in the my donation section at the top and fill out the amount for each section separately.

The left sidebar has three main sections: 'Give Now' (highlighted with a red box), 'Scheduled Giving', and 'My Account'. The main content area is titled 'My Donation'. It includes a form with the following fields: 'Amount: \$0', 'To: Tithe', a '+ Add Another Fund' button, 'Card Information' (Card Type: Debit Card, Card Number, Card Expiration: xx / xxxx (month / year), Card Code: Help? Remove Saved Card), and 'Card Holder Information' (Name on Card, Billing Address: (street address), Zip Code). A 'Submit' button is located at the bottom of the form. A PCI Level 1 - Security Certified Provider logo is visible in the bottom right corner.

Schedule Giving

This a recurring giving option. Follow the instructions on this page to setup a schedule.

2. Mobile App Giving

This is very simple. Click on the box in the top right corner of the app and click the donate button on the left side of your screen. This will take you to the same setup as stated above.
